Finney County Young Professionals (FCYP) is an initiative by the Finney County Economic Development Corporation geared towards individuals aged 21-40 years old.

Local young professionals are invited to join our group and experience valuable networking, community involvement, professional and personal development, and the opportunity to engage with business and community leaders while enhancing their business connections.

There are no annual membership fees to join, we just ask that you participate regularly in the networking, educational, and philanthropic events that the group hosts.

Please return completed application to FCYP board member or to the FCEDC office, 114 W. Pine.
